

Cont. Res. No. 2023 – 0510:

WHEREAS, there is a need to provide better environmental sanitation and the most effective ways of eliminating pollution and destroying breeding site, especially of dengue vector mosquito;

WHEREAS, the City of Malaybalay need to intensify its anti-dengue campaign by setting aside a certain day every week to bring focus to this vector-borne disease and its prevention so that the very people in the localities of all forty-six (46) barangays of Malaybalay City will join the weekly clean up drive with utmost vigilance and affirm it as a regular activity of the Local Government Unit;

NOW, THEREFORE;

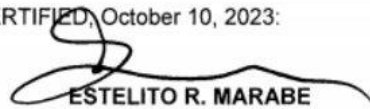

BE IT RESOLVED, as it is hereby resolved, that this August Body pass a resolution requesting all forty six (46) barangays to conduct a weekly clean – up drive every Saturday of the week supporting the recommendation of the Committee on Health and Social Welfare Services for the control of the spread of Dengue Vector Mosquitoes in the City.

RESOLVED FURTHER, that copies of this resolution be furnished to the Office of the City Mayor, the barangay local government unit of the City's forty-six (46) barangays and other city offices concerned for their information and appropriate action.

APPROVED

**RESOLUTION NO. 2023 – 0510 (9<sup>th</sup> Sangguniang Panlungsod)**  
(64<sup>th</sup> Regular Session)

Sponsored by: Hon. Kathleen Cecille C. Pagaling

**A RESOLUTION REQUESTING THE 46 BARANGAYS TO CONDUCT A CLEAN UP DRIVE EVERY SATURDAY OF THE WEEK TO MITIGATE, REDUCE, AND CONTROL THE SPREAD OF DENGUE VECTOR MOSQUITOES**

WHEREAS, the 1987 Constitution of the Republic of the Philippines declares it among the policies of the State to protect and promote the right to health of the people and instill health consciousness among them (Section 15, Article II);

WHEREAS, Section 16, of Republic Act 7160, otherwise known as the Local Government Code of 1991, mandates every local government unit to promote, among others, the health and safety of every constituent under its respective territorial jurisdiction by providing measures to prevent and control the spread of disease and provide assistance to those afflicted;

WHEREAS, the dengue scourge is a major public health concern as it remains a cause of mortality and morbidity in the Philippines considering that this virulent disease is endemic in many of its regions, provinces, cities, municipalities and barangays;

WHEREAS, the current dengue situation warrants a shift from focusing primarily on attempting to contain outbreaks to taking steps to reduce the impact in communities via the implementation of pre-emptive measures;

WHEREAS, being a community-based problem, community awareness and participation by the private sector as well as concerted and collaborative efforts among the various national and local agencies are necessary for combating dengue;
