Subject: Urgent Appeal for Immediate Class All Levels and Government Office Cancellation Due to Yellow Warning Level Heavy Rainfall

Dear Mayor Pabillaran,

I urgently bring to your attention the current Yellow Warning Level Heavy Rainfall in our area, as highlighted in PAGASA's Heavy Rainfall Warning No. 32 #MIN_PRSD issued on February 2, 2024, at 5:30 AM. This warning indicates potential flooding and landslides, especially in #Bukidnon and nearby areas.

In line with Executive Order No. 66, s. 2012 Section 3, I, as the Local Disaster Risk Reduction and Management Officer, recommend the immediate cancellation of all classes and work in government offices until weather conditions improve. The continuous heavy rainfall poses risks such as flooding, slippery roads, and potential landslides.

Swift action is crucial to ensure the safety of our students, school staff, and the community. Your prompt attention to this matter is greatly appreciated.

Thank you for prioritizing the safety and well-being of our community.

Sincerely,

ALAN J COMISO
